JESSE M. FURMAN, United States District Judge:

There is currently a proceeding in this matter scheduled for **June 3, 2021**. See ECF No. 360. Given that in-person and virtual proceedings with multiple defendants are still difficult, if not impossible, and that the deadline for defense motions was extended to May 28, 2021, see ECF No. 319, the Court is inclined to adjourn the conference to **July 13, 2021, at 10:30 a.m.**, at which point any such motions would be fully briefed (and the Court will hopefully be able to safely hold an in-person proceeding), and to exclude time under the Speedy Trial Act through that date. If any counsel objects to such an adjournment or to exclusion of time, he or she shall confer with all other counsel and file a letter to that effect and explaining the nature of the objection by **May 18, 2021, at 5 p.m.** In the absence of an objection, the Court will enter an order adjourning the conference and excluding time.

SO ORDERED.
